

Directions to SoundTrax

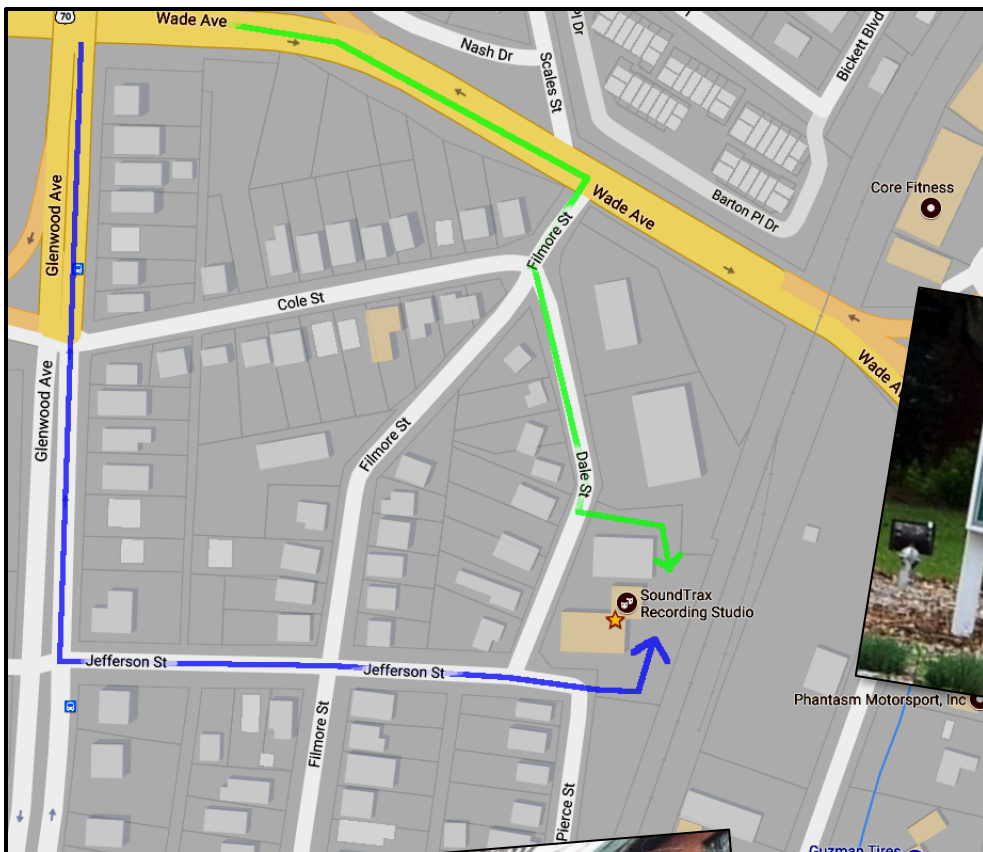

302 Jefferson St, Suite 260
Raleigh NC 27605
(919) 832-9953

SoundTrax
RECORDING STUDIOS

Not to worry: Your GPS will get you to our almost-100-year-old building. Remember to search for **“302 Jefferson St, Raleigh NC”**

Once you're close, you may want to check this map, because Jefferson St. is residential for the first 2 blocks after you turn off Glenwood Avenue. (See the blue path)

Keep going, and you'll see our sign as you enter our parking lot.

Some folks coming on Wade Avenue arrive another way (the green path), by turning onto Fillmore Street off of Wade. The trick is to remember to take your first left onto Dale, AND turn into the other end of our parking lot at the mailbox on Dale.

There's another office with "302 Jefferson" on the outside, but that's NOT SoundTrax. This is an old building, and even though we share a roof, you can't get here from there.

Pull around the parking lot, and look for the big green awning that says **302 Jefferson St.** with the double doors. That's us. We're on the second floor. You'll see the signs.
